RVHS Alum Named National Coach of the Year

Redwood Valley graduate Kathleen (Perry) Walker, Class of 2011, has been named the 2026 High School Coach of the Year by the National Speech & Debate Association, an honor recognizing one outstanding coach from more than 4,000 speech and debate programs across the country.

Walker discovered her love for speech as a member of the Redwood Valley Speech team, competing from eighth grade through her senior year. Today, she serves as an English teacher and head speech coach at Fairmont High School, where she has led the program since 2015.

In accepting the award, Walker was quick to share the credit with her students and fellow coaches, saying the recognition reflects the people around her as much as her own work. This summer, she was recognized at the National Speech & Debate Tournament while coaching Fairmont students on the national stage.

Congratulations, Kathleen, on this well-deserved national honor!

Celebrating 50 years!

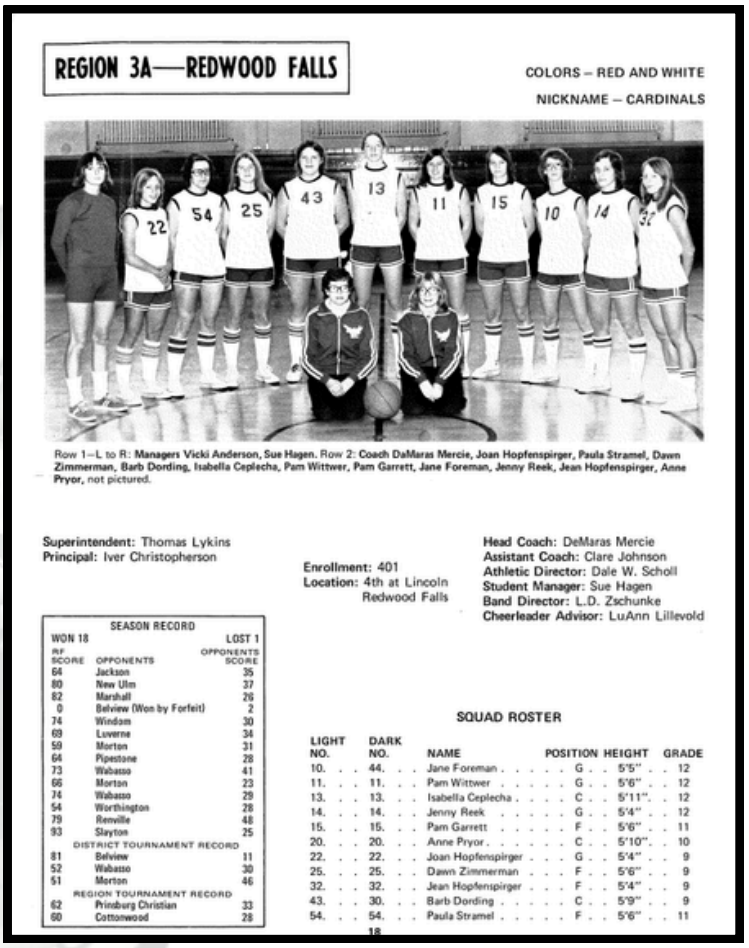

This year marked the 50th anniversary of the first Minnesota State High School League Girls State Basketball Tournament.

Redwood Falls represented Region 3A at that inaugural tournament, held at the Met Center in Bloomington, and went on to become the first Class A State Champions!

As part of this year's celebration, the Minnesota State High School League invited players and coaches from that first tournament to be recognized and honored for helping lead the way for girls basketball in Minnesota.

Inaugural tournament bracket.

A Year of New Beginnings

It's hard to believe the first school year at the new Redwood Valley Elementary School is already in the books.

As students and staff settled into the new building last fall, they also began enjoying the outdoor spaces that quickly became part of everyday school life. The Janning ECFE Nature-Based Playspace has provided young learners with opportunities to explore, create, and play, while the Paul and Marvel Pryor Plaza has become a welcoming gathering place with buddy benches, outdoor seating, and space for classes and lunch outside.

One of the highlights of the fall was an open house that gave staff, families, and community members a chance to see the finished spaces and celebrate everything that had been accomplished.

These projects were made possible through the generosity of donors, the fundraising efforts of the Redwood Area Education Foundation, and the strong partnership with Redwood Area Schools. Together, they have created spaces that students are already making their own, and that will continue to serve our community for many years to come.

Our Shared Story

This past year, the Redwood Area Education Foundation completed a historical timeline display in the middle/high school entrance. It explains the history of education in our communities, from the earliest one-room schoolhouses to Redwood Area Schools today. If you're back in the building for a reunion, Hall of Fame ceremony, concert, or another school event, we hope you'll take a few minutes to stop and enjoy it.

1924

Lincoln Grade School is established. When the high school on Broadway Street burns in 1936, Lincoln temporarily houses all students until a high school addition is completed the following year.

1958

Sunnyside Elementary welcomes its first students, serving PreK-6th grade. The building is rededicated to Reede Gray in 1969, later serving PreK-4th grade until 2025, when students move into Redwood Valley Elementary.

1959
Jefferson School in North Redwood consolidates with Redwood Falls

1960
The last single-room school house in Redwood County closes.

1971
Redwood Catholic School of the Precious Blood, located on Activaid Rd, consolidates with Redwood public schools.

1985

Morton students in grades 7-12 begin attending Redwood Falls High School, connecting the neighboring communities.

1991

The Redwood Valley Middle School/High School building is constructed.

1995

Redwood Falls School District (#637) consolidates with Morton School District (#652) to form Redwood Falls Morton School District (#2758).

2001

Belview School District (#631) joins Redwood Falls Morton School District (#2758) to create Redwood Area Schools (#2897).

2025

Redwood Valley Elementary is constructed and begins serving Pre-K-4th grade students.

Paddle the Waters of Lake Redwood

Community members and visitors now have an easier way to enjoy "Lake Redwood". Paddleboard and kayak rentals are now available through the new Paddle Share program! Since the dredging project, the water has seen an increase in activity - boating, swimming, fishing, and ice fishing!

Morton's New Outdoor Ice Rink

Made possible by the Morton Area Community Foundation, the Morton Park now has an outdoor community ice rink!

The Next Chapter!

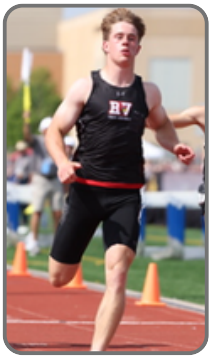

A few editions ago, we featured the opening of Chapter 2, the downtown bookstore purchased and renovated by Joni (Nieland) Ogdie. Since then, Joni has expanded into the neighboring building, now known as The Annex. The space includes additional books, reading areas, and room for meetings or community events.

The building has served many purposes over the years. Longtime residents may remember paying utility bills there, shopping at Gambles, stopping into Sew 10, or shopping at Dave's Appliance before they moved to the former Ford building. It's wonderful to see another historic downtown building brought back to life while preserving a piece of Redwood Falls' history!

Student Success

Redwood Valley students had another memorable year with state appearances in cross country, gymnastics, wrestling, speech, knowledge bowl, tennis, track and field and robotics. The FFA chapter was named the Top Premier Chapter in the nation for the Growing Leaders division.

One of the year's biggest moments came at the state track meet, where junior Lucas Fuhr broke Chad Hilton's school record in the 200m dash. Hilton's record had stood since 1985.

Many of these participants are children and grandchildren of Redwood Valley alumni. Congratulations to all of the students, coaches, advisors, and families!

2025-2026 highlights:

- FFA: National Premier Chapter - Growing Leaders
- Boys Cross Country: 3rd Place at State
- Girls Cross Country: 4th Place at State
- Knowledge Bowl Team: 4th Place at State
- Tennis: Zack Lundeen 4th Place, State Singles
- Track & Field: Lucas Fuhr: 4th Place at State 100m & 200m
